

## **Montana Fish, Wildlife & Parks**

October 18, 2006

Dear Reader,

Montana Fish, Wildlife and Parks have developed an environmental assessment (EA) for the Gartside Fishing Access Site Fishing Pier Replacement Project. Gartside Fishing Access Site is located in Richland County, Township 21 N, Range 58 E, Sections 15 and 16.

The proposed area of construction consists of 1 acre located on the west end of Gartside Reservoir one mile north of Crane, Mt. on Hwy 16.

The proposed project includes repairing the damaged fishing pier. The proposed project is predicted to begin and be completed in the spring of 2008.

The project is needed to meet the public's needs, requests and or expectations.

Comments are due on or before December 1, 2006 and can be submitted to:
